antimicrobial

Our wide range of HPL contains silver phosphate glass antimicrobial technology to preserve the surface and preserve degradation caused by antimicrobial growth

Nuestra amplia gama de HPL contiene tecnología antimicrobiana de vidrio fosfato de plata para preservar la superficie y preservar la degradación provocada por el crecimiento antimicrobiano

More info / Más info

Resolució tecnologia d'assa no product usant o altres agental, dissona coating bocting garna, venisse o altre material organica
 This technology is not a substitute for good hygiene and/or cleaning practices
 La tecnologia antimicrobiana no es un substituto per a bones practiques d'higiene i/o altres practiques organica
 observo que causen maltractament i els tractaments no s'apliquen als materials dels quals s'ha desenvolupat la tecnologia
